GREEN BUILDINGS SAVE CONSUMERS MONEY

*Energy-Efficient Buildings across New Jersey to Open Doors,
Public Invited to See Easy Ways to Beat High Energy Costs*

(NEWARK, NJ) -- Building healthier, more energy efficient homes and buildings will be the focus of a Green Building Open House this weekend, sponsored by the New Jersey Board of Public Utilities (NJBPUB).

Thirty-five energy efficient homes, businesses and public buildings will be open to the public on Saturday, October 7th -- from 10 a.m. to 4 p.m. -- in an effort to educate and promote healthier and more resource-efficient methods of construction, renovation, operation, maintenance and demolition.

WHAT: Green Buildings Open House

WHO: Northeast Sustainable Energy Association

WHERE: See attached list for locations

WHEN: Saturday, October 7th -- from 10 a.m. to 4 p.m.
